*the Mel Gray game*

## FINALLY!!!

### TWC – 28 Outlaws - 20

After seven long years of trying, The Windmilling Chaos finally bring home their first Mel Gray Award in a 28-20 victory over Outlaws behind nine points from Ahman Green and 13 from Ryan Longwell. Their record goes to 4-2 and they find themselves atop the UFFL Rankings.

Longwell kicked two field goals, one +50 yards and added four extra points. Two of those XP's followed Green touchdowns—one on the ground, one through the air.

TWC owner Sam Brady tried to avoid gloating, as he didn't want to give the impression he was obsessed with winning the Mel. As the only "original" UFFL team to not have won the Mel, though, he was anxiously sweating out the Monday Night performance of Sea Stags' Marc Bulger. Bulger fell one point short, though, and TWC prevailed.

**Ahman Green leaps into the arms of the adoring TWC crowd after scoring on Sunday.**

Outlaws saw their RB tandem of Portis and Shipp go scoreless, which hurt their effort. They fall to 3-2-1 and 4<sup>th</sup> place in MEMROIR.

## *In Other Action...*

---

### **Chunky Soup 25 - Rage 17**

Chunky Soup get the points from Jeff Wilkins on Monday night and pass Rage for the win in this battle of bottom-feeders. Both teams are left at 2-4. Rage's fateful line-up building decisions came back to bite them, as too many points were left on the bench.

### **Lethal Weapon 4 19 - Men O'War 9**

UFFL scoring leader John Hall gets 10 points to make up for Peyton Manning's mere three points and keeps 5-1 LW4 atop THMBSCL. Men O'War just get a whole lotta nothin' and find themselves in Parityville at 3-3.

### **MacBain's 69th Highlanders 26 - Iron Men 12**

In one of the week's truly shocking developments, Brad Johnson throws four TDP's and his 12 points get MacBain the win and raise their record to 3-2-1. You read that right; the Rowdy Scots are over .500! Equally shocking: Iron Men, preseason 6-1 Fantasy Bowl favorites, lose their fifth in a row to fall to 1-5.

### **Munchen Mavericks 26 - Hook-Ups 19**

Hook-Ups squander 12 points from Trent Green and remain schneidy, falling to 0-6 on the season. The Mavs ride the leg of new K Billy Cundiff (14 points) and the arm of all-UFFL QB Steve McNair (12 points) to the win.

### **Renegade Rebels 21 - Bake-O's 8**

Renegade Rebels score 20+ for the second week in a row and knock Bake-O's down another peg. A long TDP from Donovan McNabb helps out for RR. Scoreless performances by Travis Henry and Koren Robinson do ***not*** help out BO.

### **Sea Stags 38 - Egomaniacs 9**

Sea Stags lay the smack down on Egomaniacs. 12 pts from Marc Bulger lead the way, as they rise to 4-2 and second place in THMBSCL. Egomaniacs are also now 4-2, but still atop MEMROIR, if reeling. Kudos to Knaak for adding former Parkview Panther K Brett Conway (who scored 6 pts for him) to his roster.
