the Mel Gray game

CHUNKFEST

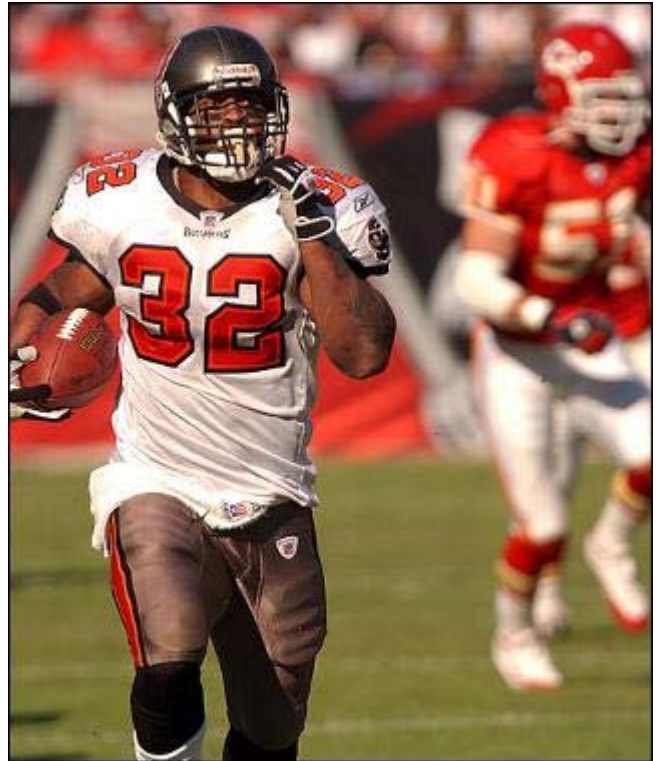

Chunky Soup – 53 The Windmilling Chaos – 8

Chunky Soup lays firm claim to second place in SCRBLTH and gives notice to Sea Stags that first place is not all that secure as they win the Mel for the second week in a row in an utter trouncing of TWC.

Michael Pittman led the way with 24 points on three TDRs. Drew Brees added four TDPs and 12 points, and Tiki Barber also contributed 12 points. TWC got Lohmillered, with Ryan Longwell's eight points being all that they could get this week.

Brees is on a roll, with nine TDPs the last two weeks, likely putting an end to the nascent Chunky QB controversy. 5-3-1 Soup will now move on to play cellar-dwelling Hook-Ups with a chance to move into first place in the division with a win. TWC fall to the SCRBLTH morass of 4-5 and will cross divisional lines to play Iron Men in Week 10.

TWC in the Pitts

Chunky Soup RB Michael Pittman leaves the TWC defense in the dust on this 78 yd TDR

Bake-O's 34 - Sea Stags 19

Sea Stags lose, allowing Chunky Soup to pull to within a half-game in SCRBLTH, and may have lost Priest Holmes to a knee injury as well. Bake-O's benefited from Drew Brees' big game, getting three TDC's by TE Antonio Gates. Justin McCareins may be starting to heat up as well. Sea Stags may be in trouble if the injury to Holmes is for real.

Iron Men 36 - Egomaniacs 22

Iron Men play without a QB, Mike Vick and Brett Favre both being on bye, but manage to win anyway, getting 24 points from their RBs, Alexander and Thomas. Ego suffer as Daunte Culpepper's return to earth continues. On the plus side, Willis McGahee appears to be emerging as a starter, giving Knaak three genuine RB threats in McGahee, Dillon, and James. He'll need them all to get back into the MEMORIR race.

Lethal Weapon 4 40 - Renegade Rebels 14

LW4 win this matchup of teams formerly good who are now having not-so-much a good year behind another epic performance by Peyton Manning, who had four TDPs. Marcus Pollard rode his coattails, getting two of them. Domanick Davis contributed 12 points, nearly outscoring RR on his own. All I can say about RR is that Clinton Portis had a TDP, which is kind of cool.

MacBain's 69th Highlanders 31 - Hook-Ups 28

MacBain get all 31 of their points in the early games on Sunday (with six players scoring) then have to sit through a tense MNF. Dallas Clark got one TDC on Monday, but no more, and the Scots eke out the win, their third of the season. Hook-Ups have an on-bye Chris Brown in the lineup, but it doesn't end up hurting them, as none of their bench RB's scored.

Men O'War 33 - Outlaws 26

Men O'War get an improbable win, watching Nate Burleson run a punt back 81 yards and scoring 12 points on the play to move into the lead. As a result, Outlaws' seven game win streak ends and they fall back to 7-2 and into a tie for first place in MEMORIR with MOW. Jake Plummer's four TDPs weren't enough for Jim, who go on to face MM in Carrier's GotW in Week 11.

Munchen Mavericks 22 - Rage 22

Rage's six game losing streak ends, appropriately enough, with a tie. This may be the most improbable tie in UFFL history, as the deciding points came on Adam Vinatieri's TDP, the first non-kicking points scored by a kicker in UFFL history. Of course, had they kicked the FG he'd have gotten the three anyway and we'd still have a tie, but then it's just a mundane bleah kind of tie. This may be the first tie that I've ever approved of.

UFFL Box Scores

week nine

Bake-O's	3	0	0	0	5	0	1	1	4	34
